DEVELOP MASTERFUL COMMUNICATION

Experience the unique action-based learning methodology, which has empowered thousands to communicate and present influentially.

FUTURE-PROOF YOURSELF

In this era of disruption, the ability to make powerful virtual presentations is as crucial as being able to engage in-person.

This influential virtual presentation course is designed to acquaint you with the peculiar nuances of virtual presentations and leverage them such that you can inspire your audience towards the desired outcomes with confidence.

You will learn to structure your presentation with clarity and present it in an engaging manner in various formats; whether at a meeting or a formal presentation; to a small group or a large audience.

Our highly interactive and practical approach will help you gain first-hand insights of what works and equip you with practical tools and techniques to enhance your impact.

Moving beyond the boundaries of a typical presentations skills-based webinar, this interactive experience is designed to engage, entertain, educate and empower; essential skills for a globally connected workplace.

IMPACT. INFLUENCE. INSPIRE.

AGENDA

VIRTUAL INTERACTIVE PRESENTATION WORKSHOP (2 hours)

This immersive session allows participants to learn and use powerful tools and techniques that enables them to deliver virtual presentations with masterful confidence.

Participants will also receive a downloadable learner guide and resources.

Value-added Option: 'LIVE' PRACTICE WITH EXPERT FEEDBACK (2 hours)

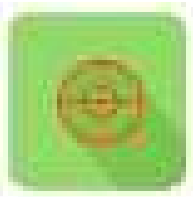

- To enhance their confidence, participants apply their learnings to plan and prepare a 'real' virtual presentation and deliver it to a live audience of peers.
- They will then receive expert Facilitator and structured Peer feedback.
- Recording of the presentation and feedback are provided to each participant for their review and progress tracking.
- This hands-on approach enables them to track their progress and boost their skills and confidence.

Value-added Option: INDIVIDUAL RESULTS TRACKING ensures that participants are able to track their progress for up to 60 days after the 'LIVE' Practice session. This proves invaluable in boosting their skills and confidence.

CUSTOMISED CONTENT & FLEXIBLE DELIVERY FORMAT to ensure the specific needs of the organisation and participants are fully met, with minimal disruption to work. This ensures that your learners are fully supported and inspired to act.

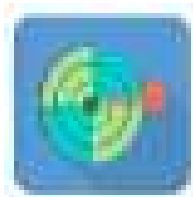

VISIBLE RETURN ON INVESTMENT

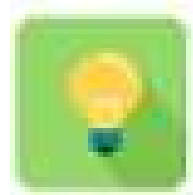

CONFIDENCE ELEVATION

Your organisation benefits from more confident and competent virtual presenters. This enhances communication effectiveness, engagement and performance. The focus on measuring confidence in delivering virtual presentations translates to more motivated presenters with a greater conviction to act.

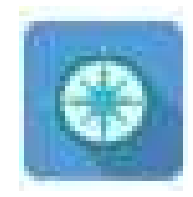

BEFORE AND AFTER VIRTUAL TRANSFORMATION

People are motivated when they can see the value. That's why we support each participant in achieving their personal and professional goals. They embark on a journey where they get the opportunity to calibrate their current virtual presentation presence, and apply our process to deliver more impactfully. It is most motivating to see the virtual transformation of individuals and that of the group.

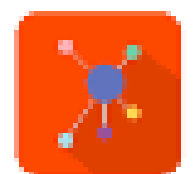

MORE EFFECTIVE ACTUAL WORK PRESENTATIONS

It's not enough for participants to gain the know-how, but to also apply it. This highly practical program enables participants to sharpen their work presentations and receive expert, structured feedback from their peers and the facilitators.

SUSTAINING MOMENTUM

Momentum is sustained through personalised engagement such as reflection reminders, application quizzes and individual progress tracking.

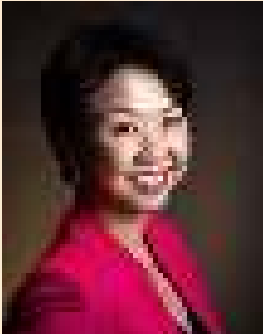

NURTURING A SUPPORTIVE COMMUNITY

Creating and nourishing a growth-oriented supportive community enables continual support and feedback for the participants. Our collaborative platform is designed to empower this and enrich their learning journey.
